

many union brothers and sisters, Dan continued his work with the union. In addition to his membership in the UAW, he also joined the International Brotherhood of Electrical Workers in 1956.

In 1983 Dan was named chairman of the UAW Retirees for the Alpena International Council. As chairman, he organized presentations on a monthly basis for his fellow retirees that ranged from elected officials to speeches about prescription drugs and Medicare.

Dan was later named chairman of the UAW Region 1-D retirees, serving members from sixty-two counties. He was also a board member of the UAW statewide coordinating committee for the Democratic Party.

In addition to his union activities, Dan Benac was instrumental in forming the Montmorency County Democratic Party, and served as chairman for many years. While he is no longer chairman, he remains active in the Party.

Dan Benac was a board member of the National Council for Senior Citizens and was nominated Senior of the Year in Region 4 in 1995 and 2003. He is also a member of other organizations including the Shrine Club, Disabled American Veterans, American Legion, and Masons. He was also chairman of the Michigan Veterans Trust Fund for Montmorency County.

Madam Speaker, Dan Benac's activities are amazing for a person of any age but as an eight-five year old his many activities are exceptionally admirable. Dan and Geraldine have been great assets to their family, their fellow workers, and their community, as well as good friends of mine. On January 4, 2008, family and friends will gather for a well deserved and final retirement party for Daniel Benac at the Addison Oaks Conference Center in Leonard, Michigan.

Today, as Dan prepares to enter a well deserved retirement, I offer him, his wife Geraldine, his three children, eight grandchildren and fourteen great-grandchildren all the best for the future. I would ask, Madam Speaker, that you and the entire U.S. House of Representatives join me in thanking Dan Benac for his service to the Montmorency community and commending him for the many years he has spent his life in service to others.

A TRIBUTE TO JOHN EDWARD  
HUTCHINSON

**HON. TIM MURPHY**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 13, 2007*

Mr. TIM MURPHY of Pennsylvania. Madam Speaker, I rise today to recognize the career of John Edward "Hutch" Hutchinson. Hutch has served as the Greensburg Fire Chief in Greensburg, Pennsylvania, for the past 55 years.

The position of fire chief in Greensburg is an elected office. Since 1952, the residents of the community have resoundingly affirmed they appreciate Hutch's dedication to the job by reelecting him.

Since taking office, Hutch has made countless improvements to the department. His firefighters are all volunteers, highly trained and specialized. Hutch has developed a dive team,

a swift water rescue, large foam and vent operations, a bloodhound team, and an air rescue team.

In 1997, the Greensburg Fire Department First Responders were prepared to handle a large community disaster, including attacks involving weapons of mass destruction. Few in 1997 could have seen the value in this forward-thinking for a volunteer department, yet it is essential knowledge for all firefighters today.

Under Hutch's leadership, the Greensburg Fire Department has assisted with natural disaster response nationwide. From helping rebuild a community playground in Alabama to clearing trees off roads in South Carolina, Hutch has turned the Greensburg Fire Department into a humanitarian outlet.

Hutch takes his job beyond the walls of the firehouse into the community. He established health and fitness centers for the community, firefighters, and City employees.

Hutch has developed burn prevention classes for the local elementary and middle schools. He has served on the local hospital board, the Greensburg YMCA Board, the aerobics center board, and the camp cadet board.

Though he's been in office for 55 years, Hutch has no interest in slowing down. He calls himself "a young kid"—and isn't that a wonderful attitude? Hutch refuses to let his age be a factor. He works out twice a day, 7 days a week, to ensure that he's not asking his firefighters to do anything he can't do himself.

It is my great honor to recognize the long career of John Edward "Hutch" Hutchinson, a man who has given immeasurable amounts to the city of Greensburg, to Pennsylvania, and to our nation during his five and a half decades of service as fire chief.

INTRODUCING THE CANCER AND  
TERMINAL ILLNESS PATIENT  
HEALTH CARE ACT

**HON. RON PAUL**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 13, 2007*

Mr. PAUL. Madam Speaker, I rise to help working Americans stricken with cancer or other terminal illnesses, and their families, by introducing the Cancer and Terminal Illness Patient Health Care Act. This act exempts people with terminal illnesses from the employee portion of payroll taxes while they are suffering from such illnesses or are incurring significant medical costs associated with their conditions. The Cancer and Terminal Illness Patient Health Care Act also provides a payroll deduction to any worker who is the primary caregiver for a spouse, parent, or child with a terminal illness.

When stricken with cancer or another terminal disease, many Americans struggle to pay for the treatment necessary to save, or extend, their lives. Even employees with health insurance incur costs such as for transportation to and from care centers, prescription drugs not covered by their insurance, or for child care while they are receiving treatment. Yet, the Federal Government continues to force these employees to pay for retirement benefits they may never live to see!

Many Americans struggle to pay the costs of treating children, a spouse, or a parent with

a terminal illness. My bill also provides much needed tax relief for those who are providing care to a loved one with a terminal disease.

As a physician who has specialized in women's health issues for decades, I know how critical it is that cancer patients and others suffering from terminal illnesses have the resources they need to combat these illnesses. The Cancer and Terminal Illness Patient Health Care Act provides a realistic way to help people suffering from cancer or other terminal illnesses receive quality health care.

It is hard to think of a more compassionate tax policy this Congress could enact than to stop taking the resources away from working Americans that could help them treat cancer, AIDS, or other terrible health problems. I hope all my colleagues will help people suffering from terminal illnesses, and their caregivers, by cosponsoring the Cancer and Terminal Illness Patient Health Care Act.

Mr. DAVID DAVIS of Tennessee. Madam Speaker, I rise today to honor the memory and life of Patsy Marie Fitzgerald Sanders, a resident of the First Congressional District of Tennessee, who passed away December 12, 2007.
