

youthful sense of humor and her passion about changing American politics.

Madam Speaker, Matilda Garcia is a highly regarded woman who has touched the lives of many in Tampa. I am proud to call her my neighbor, and I join many others to applaud her lifelong contribution to the Tampa Bay community.

INTRODUCING THE ENERGY EFFICIENT AND ENVIRONMENTALLY FRIENDLY AUTOMOBILE TAX CREDIT ACT

HON. RON PAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mr. PAUL. Madam Speaker, I rise today to introduce the Energy Efficient and Environmentally Friendly Automobile Tax Credit Act, legislation that will help Americans reduce pollution and the amount they pay for gas. My legislation accomplishes these important goals by providing Americans a tax credit of up to \$2,000 when they sell or trade in a car and obtain a vehicle that has at least a 20% higher average fuel economy than the sold or traded-in car. The bill also creates a federal tax deduction for any state or local taxes paid on the purchase of the more fuel-efficient automobile and makes interest on loans to purchase the more fuel-efficient automobile tax deductible.

This legislation will help Americans reduce the amount they pay to fill up their cars by making it easier for them to obtain more fuel-efficient cars. I hope my colleagues would agree that Congress should provide free market incentives to make it easier for Americans to exchange their current cars for cars that create less pollution.

Providing tax deductions and tax credits to make it easier for Americans to purchase fuel-efficient automobiles is a win for American consumers, a win for the environment, and a win for those of us who favor free market solutions to pollution and high gas prices. I urge my colleagues to support this legislation.

A TRIBUTE TO NATALIE ADDISON

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mr. TOWNS. Madam Speaker, I rise today in recognition of Natalie Addison, the Assistant Manager of Collections at Starrett City and resident of Brooklyn.

Natalie, a native of Queens, was raised in the Queensbridge Housing Projects. She attended and graduated, with a concentration in business subjects, from Washington Irving High School in Manhattan. Pursuing her interest in the field of business after high school graduation, Natalie excelled at the Berk Business School. Natalie was a high achiever who graduated with the honor of Valedictorian for Accounting and Business Management.

Continuing to advance on her employment path, Natalie worked for the Equitable Life Insurance Company. Always interested to expand the application of her knowledge, she transferred to the New York City Board of

Education and was assigned to the Community District 19 office located in the East New York section of Brooklyn.

Currently, Natalie is employed by Starrett City at Spring Creek. As the Assistant Manager of Collections, Natalie interacts daily with Starrett's legal department. And when life appears to throw tenants a financial curve ball, Natalie's ability to aide people with finding a method of paying their rent becomes paramount.

Her compassion and concern for her constituents demonstrated though her patience and efforts on their behalf immediately make the tenants realize the necessity to become more responsible for the well-being of their families. She makes an official matter understandable by providing a caring voice.

As the "First Lady" of the Alpha Riders MC, Inc., located in East New York, Natalie was challenged by a motorcycle accident that left her seriously injured and hospitalized for four months. She attributes her rapid recovery to God and a dedicated staff at the Wartburg Lutheran Home For The Aging, where she and the Alpha Riders still today volunteer their time each month to others in need of love and assistance.

Natalie has been married to Barry "Mr. B" Addison for thirty-one years and they are the proud parents of Ebony, Barry II and very proud grandparents of Lil Andre.

TRIBUTE TO SALLY GORDON

HON. ADRIAN SMITH

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mr. SMITH of Nebraska. Madam Speaker, I rise today in honor of a wonderful lady and a true Nebraska treasure. Today, Sally Gordon will be celebrating her 100th birthday in a place which has come to know and love her—The Nebraska State Capitol.

Sally was the Nebraska Legislature's first female Sergeant-at-Arms when she was first hired in 1983—and she has been putting Nebraska lawmakers in their place ever since.

In this day and age, such dedication to public service is rare and her amazing stamina has put many of her colleagues to shame over the years.

She truly exemplifies the word "elegant" and I have been blessed to have had the opportunity to work with her during my time in the Nebraska Unicameral.

Sally, may your force never diminish and your voice never fade.

Happy Birthday.

HONORING WASHINGTON COUNTY HISTORICAL SOCIETY'S 75TH ANNIVERSARY

HON. MICHELE BACHMANN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mrs. BACHMANN. Madam Speaker, I rise to honor the Washington County Historical Society and their dedicated preservation of the history of Washington County and Minnesota.

Founded on April 11th, 1934, the Society has grown from 75 members meeting in the

public library to more than 700 members operating four buildings, two museums and a growing research library.

In 1941, the Society purchased the Warden's House Museum and today it is one of Minnesota's oldest buildings and the second oldest continuously operating house museum. The Society purchased the Boutwell Cemetery and the Hay Lake School in 1978 and shortly thereafter the school's neighbor, the Johannes Erickson Log House, was donated for the Society's care and restoration. All three buildings are on the National Register of Historic Places.

The Society provides educational programs and historical expertise with the ultimate goal of collaborating with the community, facilitating historical discussion and providing an opportunity for all Washington County residents to learn and enjoy their area's history. Minnesota is so rich with history, heritage, and tradition. This work is such a tremendous service to us all.

Madam Speaker, it is my honor to recognize and congratulate the Washington County Historical Society on their 75th Anniversary. Their efforts have demonstrated the importance of historical preservation and resulted in a strong sense of community heritage throughout Washington County.

INTRODUCING A RESOLUTION RECOGNIZING THE CRUCIAL ROLE OF ASSISTANCE DOGS IN HELPING WOUNDED VETERANS LIVE MORE INDEPENDENT LIVES, AND SUPPORTING THE GOALS AND IDEALS OF CREATING A TOWER OF HOPE DAY

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mr. HASTINGS of Florida. Madam Speaker, I rise today to introduce a resolution that acknowledges the admirable role of assistance dogs in helping our wounded veterans live more independent lives, expresses gratitude to the Tower of Hope, and supports the goals and ideals of creating a Tower of Hope Day.

We currently have over 170,000 troops deployed in Iraq and Afghanistan. Thousands of those brave service men and women have been seriously wounded in combat. Many of these courageous soldiers suffer from brain injuries, single and double amputations, and other traumatic wounds. As a result, they are required to spend weeks, months, and years in hospitals recovering from their injuries.

Madam Speaker, we must not forget that these brave men and women are still in genuine need of assistance to continue their recovery. Assistance dogs will help to empower veterans in need of assistance to live a more comfortable and independent life.

The Tower of Hope is dedicated to providing wounded soldiers with service dogs. The Tower of Hope was created following the September 11th terrorist attacks in an effort to bring about hope and happiness to our wounded veterans. Among other things, these dogs assist wounded veterans with the necessary everyday tasks such as using the stairs, retrieving items, pulling wheelchairs, and even turning lights on and off. In addition
